

Hello,
I'm Abdulla Nsour
**Front-End Developer
& Digital Artist**

[View Portfolio](#)

about me ...

My name is Abdulla Tariq Al-Nsour. I'm a product designer based in sunny Sydney, Australia.

I completed the study at the University of Jordan specialization Risk Management & Insurance.

I started working with the ASM Company in May / 2018

as an Assistant Insurance and Claims Officer & they were assigned the task of the company's administrative officer for the year 2021.

When I'm not pushing pixels, you'll find me cooking, gardening or working out in the park.

Projects

Digital Art

this is the best practice for digital art, you can find here some of my projects hope you enjoy with it.

Web Developer

this is the best practice for Web Developer, you can find here some of my projects hope you enjoy with it.

Skills

Designer

this is the best practice for digital art, you can find here some of my projects hope you enjoy with it.

Bootstrap

this is the best practice for digital art, you can find here some of my projects hope you enjoy with it.

HTML 5

this is the best practice for digital art, you can find here some of my projects hope you enjoy with it.

Css 3

this is the best practice for Web Developer, you can find here some of my projects hope you enjoy with it.

Education

Risk Management & Insurance
